

We assume a guarantee — according to our manufacturer guarantee statement — of 5 years for our products, provided that it can be demonstrated that the product was purchased and mounted through a franchised specialist craftsman. The guarantee period begins on the date of delivery from our plant. The statutory warranty period is contained in the guarantee period. Electronic components and lighting articles are omitted from this guarantee statement.

Even the most advanced printing technologies cannot fully reproduce the exceptional finish and subtle colour schemes of our products. Only original KEUCO products can provide you with an optimum impression. These are on display in stores catering to the special sanitary trade.

No part of this brochure may be reprinted or duplicated, even in part, without our explicit consent and without specification of the source manufacturer KEUCO GmbH & Co. KG, P.O. Box 1365, 58653 Hemer/Gemany.

We accept no liability for changes resulting from technical advances and necessary modifications of design and colour, nor from print errors.

Our products are exclusively available through sanitary product wholesalers.

EDITION

Palais

Innovation meets tradition

Timelessness

As people's needs evolve, the character of the architecture evolves with them. The best characteristics endure and new ideas are integrated. EDITION Palais embodies the fusion of innovation and tradition. By combining sovereign understatement, a touch of opulence and the state-of-the-art technology, it forms an entirely new dimension. Discover the dimension of timelessness.

A home with a history has many interesting stories to tell whose telling is best not to be obstructed. To augment it with the new and compelling is much more appropriate. With its gentle arches, EDITION Palais conveys the grandeur of times past – and mates it harmoniously with the minimalism of today's aesthetic.

A bathroom serves many purposes: every object should have its own location. Functionality, ergonomics and safety should be unified. EDITION Palais turns this living space into an experience of aesthetics and relaxation. A space that encourages you to forget all that it does for you by meeting your every need subtly and without a fuss.

Room interpretations

The discretely designed curve of EDITION Palais is evident in all of the products: in the sweeping furniture fronts, in the rounded edge contours, in the striking oval of the light mirrors and mirror cabinets, and in the fittings and accessories. A luxurious and subtle overall impression is emitted.

Bathroom furniture

The drawer fronts of the sink base unit are crafted with mitred corners – merely one example of the meticulous perfection contributing much to the luxury of EDITION Palais. The edge of the cast mineral wash-basin bears the characteristic contour which is echoed in the fittings and accessories.

The wash stand cabinet has towel holders on the sides.

With the medium level unit and six genuine wooden drawers, the handles are arranged in such a way that they form together the oval shape typical of this edition.

Crystal coverings for the top, with its lacquered under-surface available in different colours, match the medium level unit of this edition. The double-door cabinet with glass shelves is also available, if desired, with an integrated laundry basket. The high unit is also available with three or four glass shelves and an additional laundry basket, as desired.

Fittings

The different fittings variations, just as the large selection of accessories, offer an abundance of possibilities to establish an individual statement. Pictured are, above, the single-lever wash-basin mixer and below, the three-hole wash-basin mixer each flanked by a tumbler holder with porcelain tumbler and a lotion dispenser, also made of white porcelain.

With the in-wall model of the bath tub fitting with thermostat mixer, bath tub inflow and hand held shower head, the individual elements are elegantly arranged beside one another.

Below, the classic two-handle bath tub mixer with hand held shower head for on-wall mounting is pictured. Beside that, an EDITION Palais handle.

Light mirrors and mirror cabinets

The light mirrors and mirror cabinets combine the basic shapes of the edition: the curved contour and the back-lit oval. The indirect light, illuminating the wall surrounding the mirror, establishes atmosphere.

The mirror cabinets are available as desired either for mounting recessed in the wall, or for classic mounting on the wall surface. Their doors can be slid open both to the right and to the left and the oval keeps on shining.

The variably adjustable shelves of the mirror cabinet interiors make them very flexible. Tall bottles of body care products can also be comfortably accommodated because the glass shelves can be slid sideways. The small cosmetic items which one uses most frequently are conveniently close at hand in the all-purpose dish made of porcelain.

An RDS radio integrated like a shelf that matches the mirror cabinets of this edition is also available.

Accessories

Towel rail

Towel ring

Two-arm, swivelling towel holder

EDITION Palais is richly endowed with smart, exquisite accessories. For example, the tumbler and the lotion dispenser made of the finest porcelain with hand-painted platinum edging. Or, the luxurious, closed Kleenex tissue box and the elegant shelf brackets with crystalline glass shelf, perfectly attuned to the shelves of the middle-sized cabinet.

Surfaces

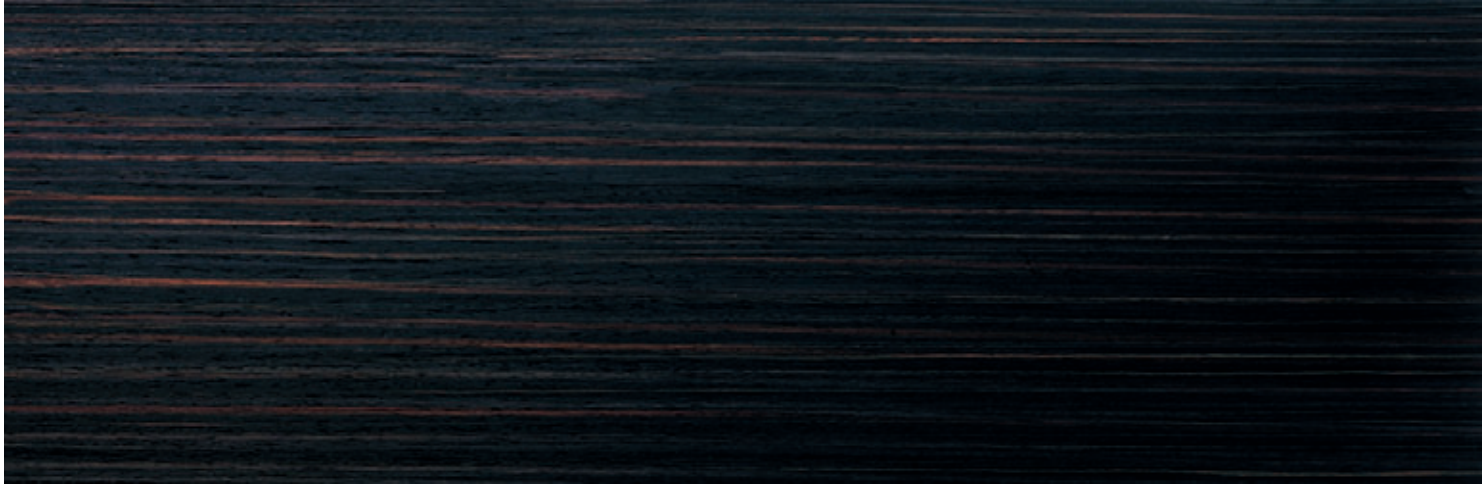

Thanks to the many surface variations, EDITION Palais can be harmoniously integrated into many diverse settings. And it offers the freedom for you to create your own statement.

Cherry veneer lusted

Cream silk matt lacquer

Ebano veneer

High-gloss white lacquer

Tineo veneer

All metal surfaces of the fittings and accessories are in palladium silver and chrome-plated.

54002
Single-lever wash-basin mixer
 with/without pop-up waste, 1 1/4 inch
 Single-hole installation with quick-mounting system, cartridge mixer with ceramic sealing gaskets and temperature limiter, aerator M 24x1, cache, pressure hoses 420 mm, thread size 3/8 inch

54015
Three-hole wash-basin mixer
 with/without pop-up waste, 1 1/4 inch
 Three-hole installation, 90° headparts with ceramic sealing gaskets, aerator M 24x1, cache, pressure hoses 420 mm, thread size 3/8 inch

54009
Single-lever bidet mixer
 with pop-up waste, 1 1/4 inch
 Single-hole installation with quick-mounting system, cartridge mixer with ceramic sealing gaskets and temperature limiter, with ball joint, aerator M 22x1, pressure hoses 420 mm, thread size 3/8 inch

54045
Bath tub inflow DN 20
 suitable for all fittings mounted under plaster (article no.: 54073/54074)
 Projection: 162 mm/212 mm

54091
Wall shower head retainer
 for shower heads with conical nuts

54085
Shower rail
 consisting of:
 • wall rail 900 mm with shower head sliding mounting, height adjustment with handle, tilt angle adjustable to any position
 • with tile compensator disc (5 mm)

Product overview

54022
Two-handle bath tub mixer DN 15
 for on-wall installation
 90° headparts with ceramic sealing gaskets, with automatic return bath tub/shower, hose connection DN 15, intrinsically safe against backflow, depth gauge 150 +/- 14 mm, suitable for a flow heater, aerator M 24x1, cache, flow rate approx. 22 l/ min.

54026
Thermostat mixer DN 15 for shower
 for on-wall installation, handle with Ecostop button, safety cut-off at 38°, with MTC cartridge, depth gauge 150 +/- 16 mm, ball S-connection, intrinsically safe against backflow

54073/54074
Thermostat mixer DN 15/DN 20 with stop cock/ with stop and switch cock
 complete set with thermal element consisting of: handle, sleeve, rosette, function block with control unit, matches i-box universal (article no.: 54970)

54080
Hand held shower head
 with anti-calcification system
 3 kinds of jet: rain, needle, massage, also suitable for a flow heater

54995
Shower hose
 with simulated metal, kink protection, very flexible with double-sided DN 15 conical nuts, twist-protection at the shower head end, 1250 mm, 1600 mm, 2000 mm

54047
Hose connection DN 15
 intrinsically safe against backflow, matches all fittings mounted under plaster (article no.: 54073, 54074)

40001
Towel rail
600 mm, 800 mm

40010
Shelf bracket, without shelf
700 mm, 950 mm

40015
Towel hook, double

40067
Moist tissue holder
comes with white porcelain holder

40050
Tumbler holder
complete with white porcelain tumbler

40007
Towel rail
300 mm

40010
Crystalline glass shelf
shelf alone, without green tinged edge,
undersurface white, black or cream lacquered
700 x 135 x 15 mm
950 x 135 x 15 mm
**Please note: Shelf bracket and glass shelf to
be ordered separately.**

40018
Towel holder
two-arms, swivelling, projection: 457 mm

40077
Tissue box
closed on the sides, holds a maximum of 150 tissues

40052
Lotion dispenser
white porcelain, complete with holder and pump
Capacity: approx. 250 ml,
dosage: approx. 0.5 ml/ stroke

Product overview

17640
Cosmetic mirror
Illuminated, wall fitted model with mains connection
through wall socket, mirror one-sided, concave,
1 x 8 watt (maintenance-free light),
magnification factor x 3, diameter: 218 mm

40021

Fronts combination

40095
Crystal mirror
with bevelling on the horizontal edges
Outer dimensions: 740 x 630 x 6 mm
990 x 630 x 6 mm

40096
Light mirror
with bevelling on the horizontal edges,
lighting with fluorescent lamps on all sides,
1 x 60 watt (socket 2GX13)
Outer dimensions: 740 x 630 x 60 mm

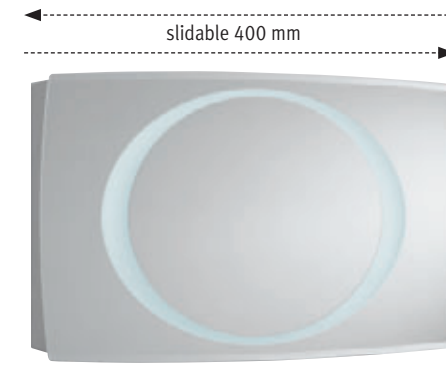

40096
Light mirror
with bevelling on the horizontal edges,
lighting with fluorescent lamps on all sides,
1 x 60 watt (socket 2GX13)
Outer dimensions: 990 x 630 x 60 mm

40201
Mirror cabinet
suitable for recessed or non-recessed wall mounting,
1 sliding door with a mirror surface,
lighting on all sides (1 x 60 watt), sides mirrored
(only for recessed model)

- Fittings:**
- 1 exterior light switch
 - 1 exterior socket (only for non-recessed model)
 - 2 interior sockets
 - 6/8 variably adjustable glass shelves
 - 1 all-purpose dish made of porcelain as desired with integrated RDS radio
- Outer dimensions: 740 x 630 x 191 mm
Body silver impregnated and anodised

40202
Mirror cabinet
suitable for recessed or non-recessed wall mounting,
1 sliding door with a mirror surface,
lighting on all sides (1 x 60 watt), sides mirrored
(only for recessed model)

- Fittings:**
- 1 exterior light switch
 - 1 exterior socket (only for non-recessed model)
 - 2 interior sockets
 - 6/8 variably adjustable glass shelves
 - 1 all-purpose dish made of porcelain as desired with integrated RDS radio
- Outer dimensions: 990 x 630 x 191 mm
Body silver impregnated and anodised

- Radio:**
- control element, genuine glass with touch sensors
 - RDS display
 - integrated speakers in the centre column of the mirror cabinet
 - digital clock
 - memory for 3 broadcast frequencies
 - plug for external audio source (for example, Apple iPod possible)

Product overview

40310
