We include a guarantee – according to our manufacturer warranty statement – of 5 years for our products, provided that it can be demonstrated that the product was purchased and installed by one of our appointed specialist dealers. The guarantee period begins on the date of delivery from our factory. The statutory warranty period is included in the guarantee period. Electronic components and lighting products are excluded from this guarantee statement.

Even the most advanced printing technology cannot fully reproduce the exceptional finish and subtle colour schemes of our products. Only original KEUCO products can provide you with the optimum impression. These are on display in stores which supply bathroom fittings.

No part of this brochure may be reprinted or duplicated, even in part, without our explicit consent and without specification of the source manufacturer.

## ROYAL METROPOL

The appeal of the ROYAL METROPOL solitary mirror cabinets is their impressively clear design vocabulary. This makes them blend perfectly in design-oriented furnishing styles of urban elegance. The side lamps with their angled backs give ROYAL METROPOL an appearance of floating lightness, despite its generous dimensions. They uniformly illuminate the face, and provide atmospheric indirect lighting.

The gently gliding lift-up door reveals the cleverly designed interior. The rear wall is fully mirrored, and there is also a sliding interior mirror. The typical KEUCO standard of perfection is found in the smallest detail: height-adjustable glass shelf with brackets, power connections inside and outside, solid aluminium body, double-mirrored lift-up door, compressed gas lifter with dynamic damping, uniform illumination of the luminary with energy-saving fluorescent tubes, and perfectly crafted surfaces. Make every morning a sensual experience with a ROYAL METROPOL.
