

THE INNOVATION OF THE YEAR!

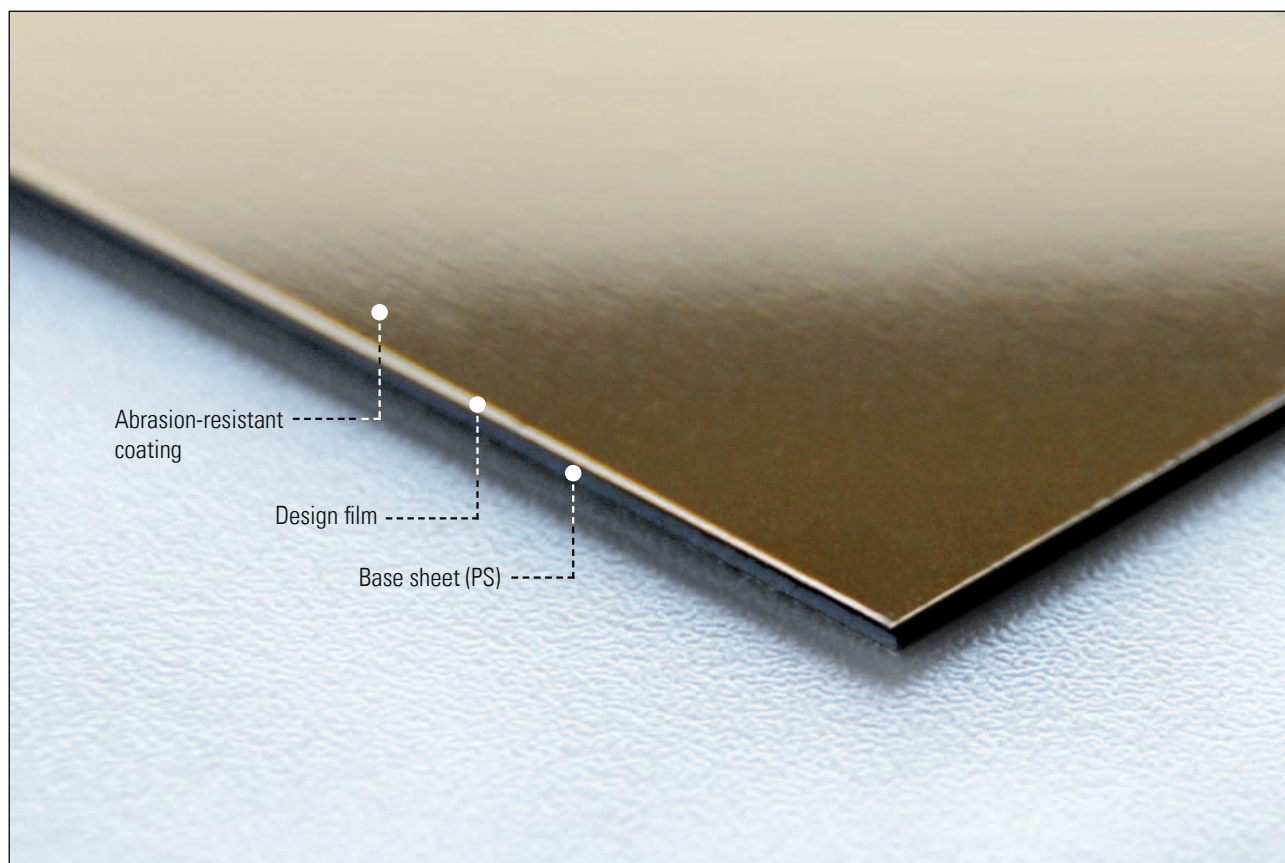

The new SIBU DESIGN deco-line with an abrasion-resistant decorative surface for heavy-duty applications.

In stock from December!

THESE SIBU DESIGN NEWS ARE READY TO CONQUER THE WORLD!

SIBU DESIGN's deco-line top seller has been supplemented with new, highly fashionable metallic colours, which are available right away in an abrasion-resistant version. These freshly developed decorative surfaces can withstand any cleaning attack and rough treatment, and therefore possess characteristics that open up new perspectives with regard to possible applications.

Our sales team will be pleased to provide you with information.

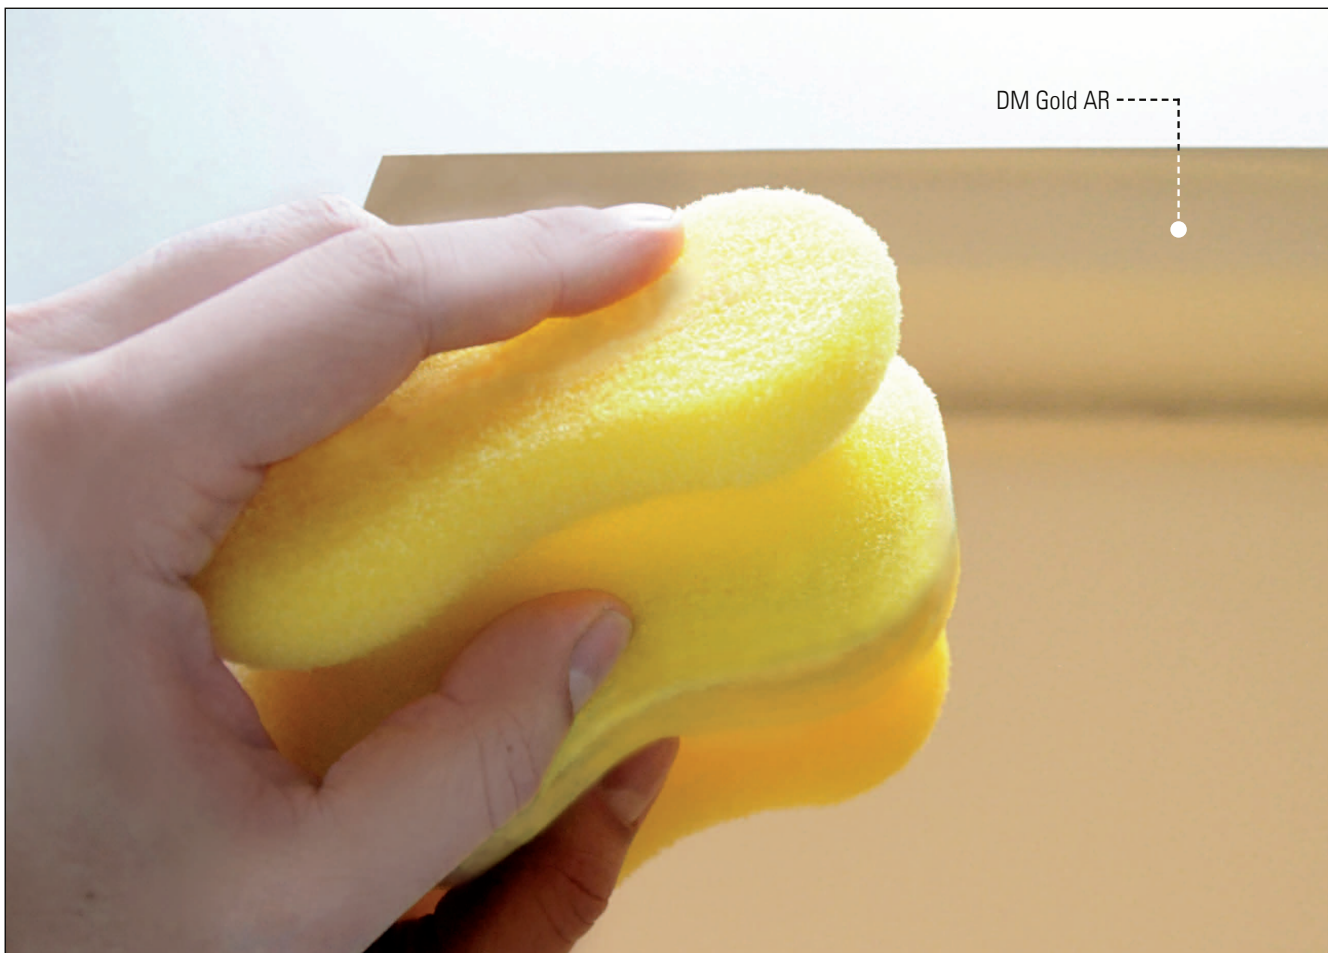

Structure as exemplified by **DM Gold AR**.

STRUCTURE

The abrasion-resistant deco-line programme differs from standard deco-line articles due to the employment of latest surface coatings.

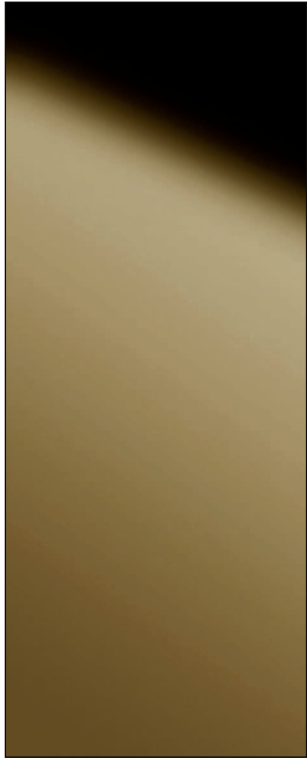

A small change that makes a big difference!
